Ex. 6 - Personal Privacy I want to make sure we're on track for getting the SPR signed. Who are we waiting for as far as comments? You just got a few changes, can you highlight what those are for me since Cynthia has reviewed **Ex. 5 - Deliberative** Also, not sure Shelly is here today. Mary may need to print this out in final for signature. Can you please make arrangements with her (or Shelly if she's here). Finally, **Ex. 6 - Personal Privacy** can you send me a contact at the management level at DOI I can call **Ex. 5 - Deliberative**. Thanks.
